**Subject:** Regional briefing on PFAS Data explorer - Feb 27, 1:00 eastern

Colleagues – I will shortly be sending an invite for a briefing/demo of the PFAS data explorer GIS tool, which we are hoping to release later this year.

Several of you have asked for an update, this will be a chance to go over it and see if you think any higher level awareness is needed within your region.

We are a large group and it is hard to find a time that works for everyone; I'll do the best I can, and if needed, we can schedule a repeat for people unable to attend.

Regards, Andy
